

MHS Booster Club Minutes – 10/6/2008

Hello Everyone.

Our second Sports Booster Meeting was on an off Monday this month as per the calendar. Next month we will get back to our every 2nd Monday schedule for the rest of the year. Thank you all that attended.

The meeting was opened and the minutes from the last meeting were read and approved.

Our Agenda was pretty short so the items are bolded with a summary of topics as follows:

Membership

We are up to 50 Members now, great job Sharon Shebly. We are still short of our goal for the year so if you haven't signed up yet please do so soon so you can get all the benefits of membership.

Letter Campaign

Letter writing campaign continues to be a successful way of helping each team to develop additional funds and almost all teams and cheer have or are planning on joining in the campaign, Booster club maintains the books for each of these teams and those numbers are available at any time. 225 Letters have been sent. Thank you Parents!

Team Reports

Cross Country Team Liason – Mike Schultz

40 kids involved in Cross Country, Lots of enthusiasm.

Next Meet is Thursday at Lynndale Park. The team will use the T-shirts donated by the Booster Club to give away to encourage attendance to the meet. Several team players are tracking for State. The Mt. Baker Invite was last Saturday and included 23 teams from across the region.

From Coach Maraveller:

We had some strong performances this week at the Mt. Baker Invite. Our freshmen boys had their own race and Danny and Quinn placed in the top 20 and got ribbons. Natalie Keller dominated the JV girls race by placing first. Lydia also placed in the top 20. The girls' team placed nearly in the middle of the pack in JV—we ran all the girls in JV since we were missing most of our team. Jon Hanson placed 20th in the varsity boys while the team placed 12th out of 23 teams.

Tennis Team – Kathy Smith – Holly Casper

Tennis is in the second round of matches.

6 and 5 above 500

The district finally got rid of the hornet's nest that was behind the courts and wreaking havoc on all the players.

The coach is fighting hard with the District on the option of adding bleachers for spectators. 225 letters sent out

Cheer – Lana Shlepp and Lisa Bentcover
